

NEW METER INSTALLATION AGREEMENT

The following agreement must be signed and all fees paid before installation will be done.

I, \_\_\_\_\_ do hereby agree as follows:

1. To finish all grading at the meter location prior to installation.
2. To pay for any needed alteration or moving of service after installed at the grade level specified.
3. NOT to install service line to home BEFORE the meter is installed.
4. To provide a cut-off in my home to disconnect service and if using underground or overhead sprinklers, to install an approved back-flow preventer and have tested annually.
- 5. That Silver Creek Water Corporation has final determination where the meter will be located.**
6. To connect ONLY ONE resident, unit, apartment, condo, patio home, mobile home, etc. to the meter.
7. Not to fence in or inhibit the meter in any way.
- 8. A pressure reducing valve is recommended if water pressure exceeds 60psi. Silver Creek Water Corporation will not be responsible for damage caused by excessive water pressure.**

You will receive a bill on the first billing cycle after installation is completed. You will receive a minimum bill whether you use water or not. NO LEAK ADJUSTMENTS WILL BE MADE ON CUSTOMERS SIDE OF THE METER DURING THE FIRST YEAR OF INSTALLATION.

**Remember that you are responsible for company property installed on your property. At no time is it permissible to remove the lid or meter from its mounting. You will be charged for any damage to the meter or installation.**

Address/Lot # where you want service installed:

\_\_\_\_\_

I own \_\_\_\_\_ feet of road frontage, not including driveway. (Note: If you do not own sufficient road frontage, you will be required to furnish an easement in the name of Silver Creek Water Corporation.)

Meter should be installed at: \_\_\_ present grade level \_\_\_ inches below \_\_\_ inches above grade level

I have read the above and understand it, and by signing agree to all the terms outlined above.
